RE: IQPP Recertification of the Moncton NB, Canada facility (NDDR #1076)

Dear Barzin Bahardoust:

We are pleased to acknowledge International Quality Plasma Program recertification of the Moncton NB, Canada facility. Through evaluation and third-party audit on 4/28/2021, it has been determined that the Moncton NB, Canada facility meets the facility and donor criteria for IQPP Certification. The IQPP Certification period for this facility began 10/30/2017 and is effective through 10/30/2023, at which time a recertification audit will be scheduled to determine continuing compliance to the IQPP Standards.

By following the IQPP criteria, your facility and other IQPP certified facilities are taking a bold and progressive approach toward providing the highest quality Source Plasma and, ultimately, plasma products available anywhere in the world. Please extend our congratulations to the staff of the Moncton NB, Canada facility.

Sincerely,

Diana Krueger  
PPTA Manager, IQPP Audits
